

# Outplacement programs

With customized outplacement programs, we help companies and employees move forward ensuring a good and successful transition

Once the dismissed gets a new job, you often save salary in the last two or three months of the notice period - but a good outplacement program is also an investment in your brand and reputation.

With a customized approach to outplacement, we support your dismissed employees throughout a sensitive time, with a process based on their situation and needs.

From defining career goals, updating LinkedIn or CV, and preparing for interviews, we stay a close advisor to enable the individual to take the next step. Knowing the hiring game, we provide ongoing sparring and coaching to ensure a successful transition into their new job.

## What do you get?

- Customized and flexible outplacement program shaped to your company and employee situation
- Targeted plan for job search
- Mapping of competence and job profile
- Career advice and ongoing coaching from CV, interview to closed contract
